Experience

- **Truminds Software Systems Private Limited** 7 July 2026 - 31 July 2026
  Data Science Intern
  • Cleaned and preprocessed datasets using Python and Pandas.
  • Performed EDA using Pandas and NumPy to identify key patterns.
  • Explored Machine Learning and Deep Learning concepts through practical tasks.

Education

- **MANIPAL UNIVERSITY JAIPUR** 2024 - 2027
  BACHELOR OF COMPUTER APPLICATIONS (Data Science)
  CGPA : 8.5+ / 10

Skills

- Programming: Python, SQL, Java
- Data Analysis: Pandas, NumPy, Excel, EDA
- Data Visualisation: Tableau, Matplotlib
- Machine Learning: Scikit-learn, Data Preprocessing, Feature Engineering
- Database: MySQL, DBMS
- Tools: Jupyter Notebook, Git, GitHub, VS Code, Anaconda
- Core Concepts: Data Analysis, Data Mining, Statistics, Data Structures, OOP

Projects

- **Customer Churn Prediction & Retention Analytics**
  • Developed a machine learning pipeline using Python, Pandas, and Scikit-learn to predict customer churn.
  • Compared classification models using F1-score, precision, recall, and ROC-AUC.
  • Created interactive Tableau dashboards and a Streamlit app to present churn predictions and retention insights.
- **Retail Sales Forecasting & Business Intelligence**
  • Analysed retail sales, product performance, and profitability using Python, SQL, and EDA.
  • Engineered time-based features and evaluated forecasting models using MAE and RMSE.
  • Built interactive Tableau dashboards to visualise sales trends and regional profitability.
- **Student Performance & Early-Risk Prediction System**
  • Developed a machine learning model using Python and Scikit-learn to classify students into performance-risk categories.
  • Applied feature engineering and statistical analysis to identify patterns in academic performance.
  • Created a Streamlit dashboard to display predicted risk categories and key academic insights.

Certifications

- NPTEL – Python for Data Science
- AI-Integrated Management of NEXT-GEN Software Testing
- Cisco Networking Academy – Data Analytics Essentials
- NPTEL – Programming in Java
